

THE ASHFORD

1 Bedroom // 1 Bath // Approx. 853 sf

This spacious plan combines plenty of privacy and open space for getting together with family and friends. The large kitchen has a sunny window, lots of cabinets and an informal dining space. The open concept living and dining rooms extend to a sliding glass door wall with private outdoor space. The bedroom features oversized, wall-to-wall closets and the adjoining bath is cleverly separated into two zones to enhance privacy.
