

## THE ESSEX... Townhome

2 Bedrooms // 1.5 Baths // Approx. 1,012 sf

This three-level townhome offers enough space for everyone in the family to spread their wings. Enter from a covered porch to an open concept living/dining room that leads to a private patio. The step-saving kitchen provides a convenient pass-through to the dining room. There's also a welcoming foyer with a guest closet and powder room. Just steps below you'll discover a large family room and laundry room with washer and dryer connections. The upper level features two spacious bedrooms, which are separated by a central bath with twin vanities.
